A Special Dedication

We affectionately dedicate this

The school year of 1946-1947 was a year of considerable physical achievement for the Olney High School.

After a six weeks program of intensive publicity in the form of newspaper articles and public mass meetings, interspersed with numerous meetings of the Board of Education, the Steering Committee, and Education Council, an expansion program was initiated by an annexation election in Claremont Township on May 11, 1946. The result was a favorable 88 to 60 vote.

The second focus shifted to the dissolution of non-operating Community High School District #188 of the Dundas and West Liberty areas. The dissolution was successful by a vote of 396 to 23 on June 1, 1946.

The third phase of the consolidation program was completed on June 29, 1946, when simultaneous elections were held in Preston, German, and Bonpas Townships, all of which areas voted favorably for annexation. At Dundas the results were 106 to 2; at German Town Hall, 44 to 16; and at Berryville, 48 to 6.

The final block of territory to vote on the annexation question was Madison Township where an election was held on September 7, 1946. Here, too, the decision at the polls was a favorable one, the vote being 74 to 31.

Thus was consummated the high school consolidation program. The territory of the district now comprised 257 square miles instead of the original 42, and contained all of the area and people it would need eventually to serve.

Board Of Education 1947-1948

From left to right: Donovan D. McCarty, Allen Calvert, Frank C. Weber, Chester Scherer, Bob Murray, Robert Blackburn, John Williamson, J. H. Cherry, T. C. Colvin.

A transportation system was set up to bring the Olney High School closer to its students. In the school year of 1946-47 school busses covered routes totaling approximately 430 miles daily and serving only a few less than 200 high school students.

During the fall of 1946 the administration, Board of Education, Steering Committee, Education Council, and staff made an extensive study of the educational needs of the district. Joining in this report were the architects, Royer and Davis, Urbana, Illinois, and representatives of the State Superintendent's Office, and the University of Illinois High School Visitor's Office. The result of this study was a recommendation that a \$950,000 bond issue for a building program be submitted to the people for their approval.

Again the resources of the school and community were thrown into an intense public relations campaign which took the story of the needs of education to people wherever they would read or listen. At an election on March 8, 1947, the bond issue carried 3189 to 573.

It has been a year of accomplishment and a year of steadfast faith in the value of education. The people of Richland County have set a pace of educational progress in the past year which again places them along with the most forward looking communities of Illinois.

The task remains to consolidate the gains, to make faith a living reality in a system of education for all of the children of all the people. In this task we face the future confidently with the major physical problems solved, and an aggressive school spirit to spur us on.

Office Staff

Administration

One of Mr. J. H. Cherry's activities this year centered around the plans for the new school. It was largely due to his constant effort and campaigning that the students in the years to come will have the opportunity of being educated in Olney's new high school.

Mr. J. H. Cherry, Principal

Mr. L. T. Clark, Assistant Principal

Mr. L. T. Clark is our assistant principal and teaches agriculture. He belongs to the American Legion, Elks, and Rotary. His hobbies are fishing and gardening. Working to obtain the new high school was Mr. Clark's most enjoyable experience.

Young members of the faculty's families. Front row: Pamela Sprowl, Jimmy Cherry, Mike Sliva, Bobby and Judy Atkins. Back row: Leola Brown, Harriet Cherry, "Cammie" Cammon, Brook Calvert, Melvin Bower.

GUIDANCE COUNCIL

A Guidance Conference was held at O. T. H. S. on April 25, 1947 for all Sophomores, Juniors, and Seniors. Mr. C. A. Michelman, Springfield, gave the opening address, followed by the introduction of the twenty-seven visiting counselors by Mr. Cherry.

There were three sessions and each student took his choice of which sections to visit; these fields ranged from the Army and Navy to Medicine and Law. Professors from the U. of I, EISTC, local citizens from all forms of professions, and other outstanding men in the state in their particular field were the counselors.

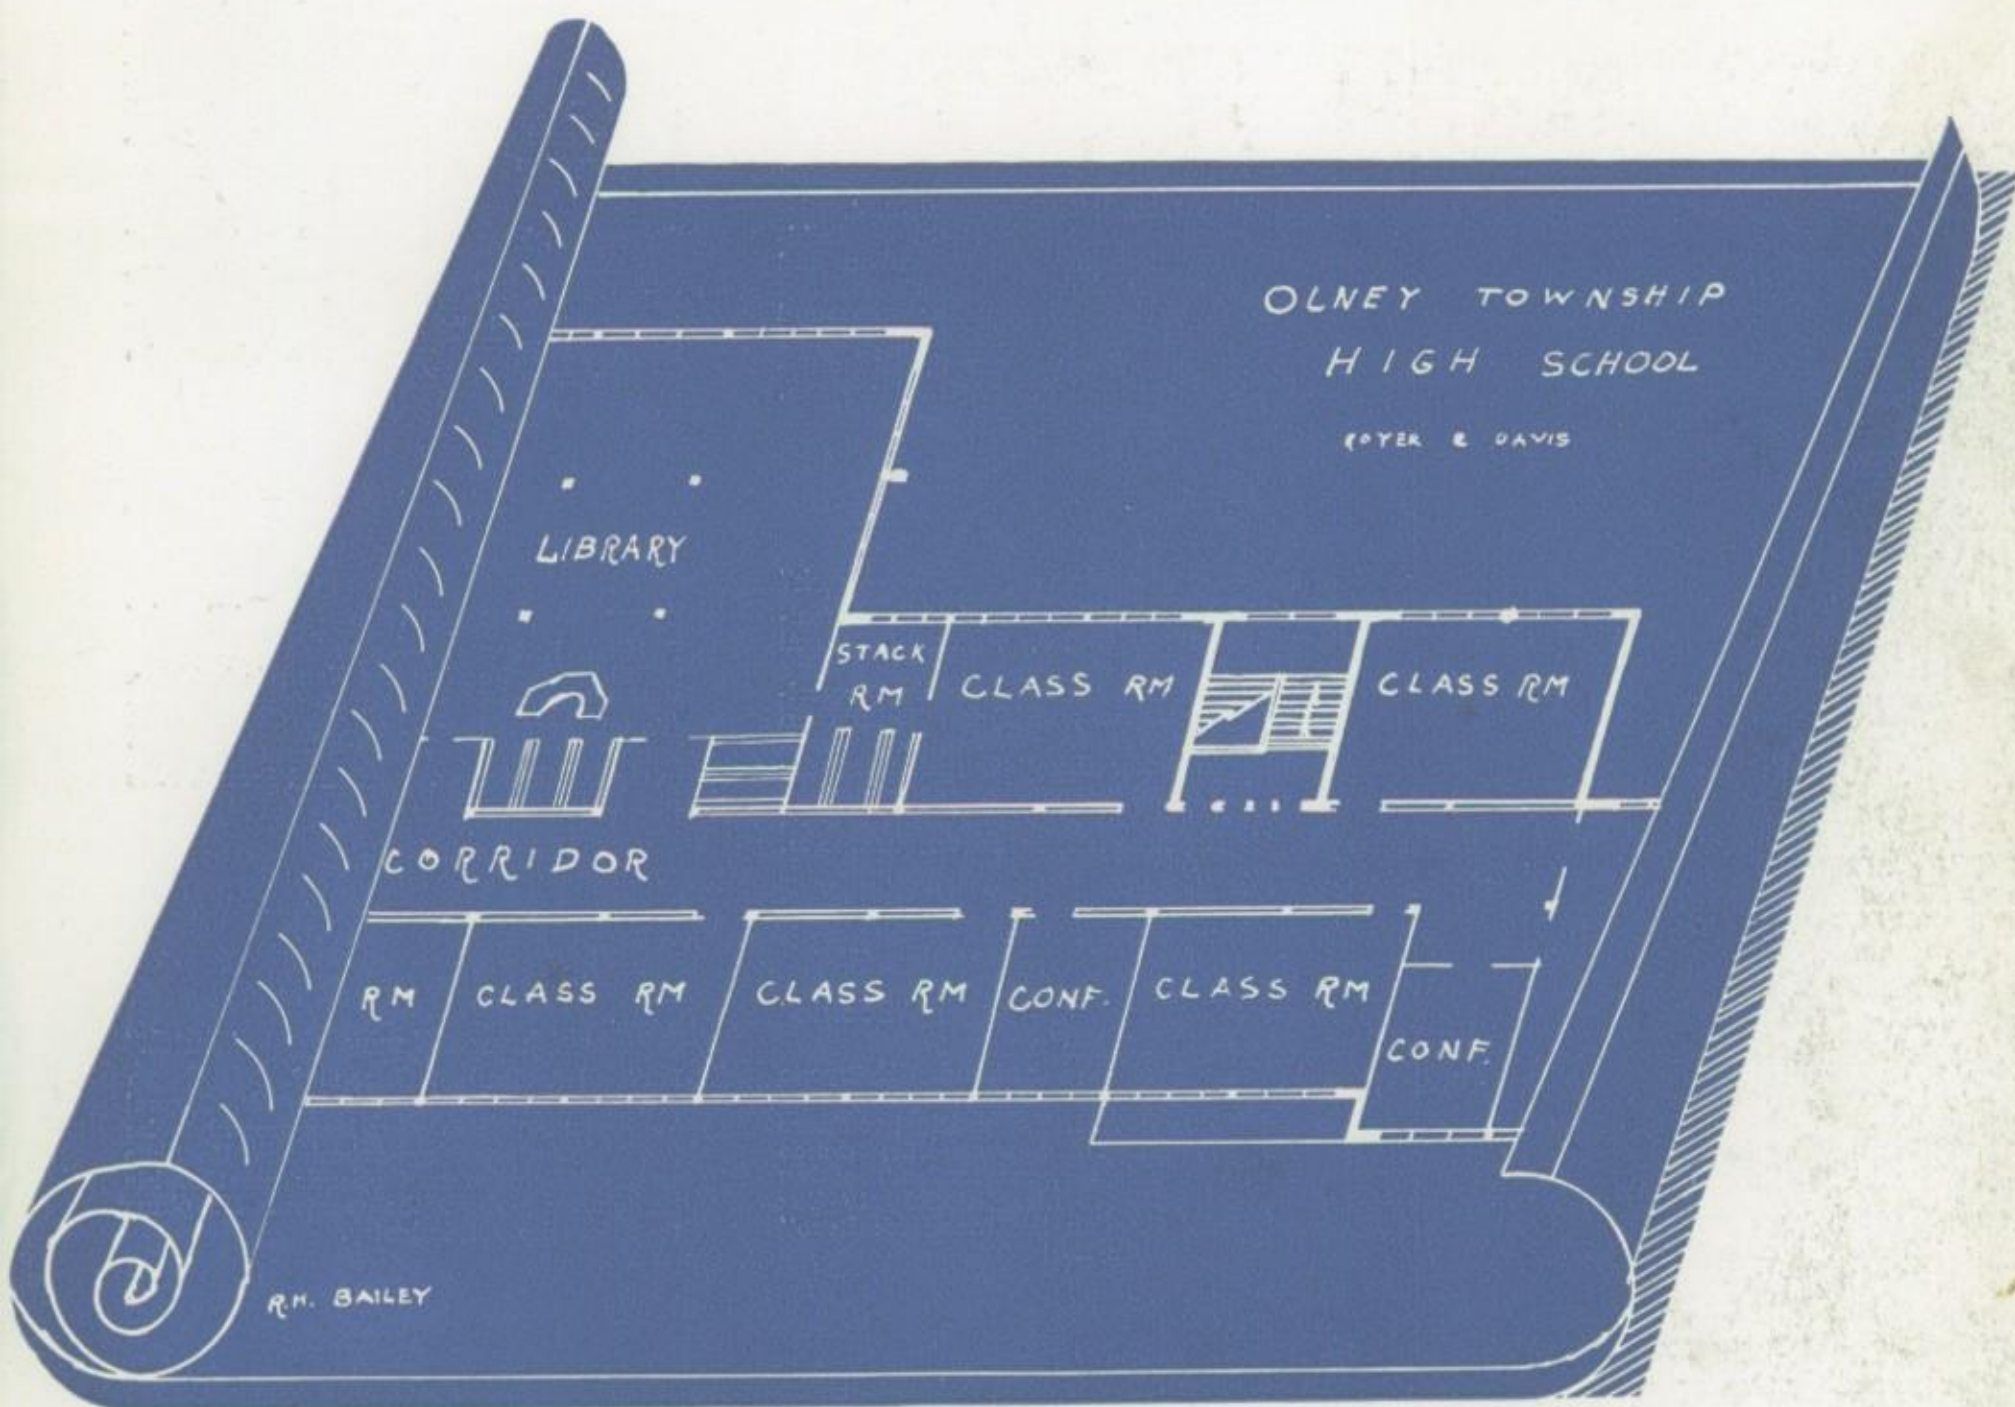

Many practical and helpful suggestions were received by this school, Parkersburg, Clay City, and Noble.

After the group conferences, individual talks could be had if desired in as many fields as wanted. And College counselors were here to see students interested in their school.

The counselors refresh themselves at noon with an excellent luncheon prepared for them by the Home Ec. III classes.

Naoma plans to enter Charleston and take office work. She is another one of our hard working office girls. Spending two weeks in Chicago was Naoma's most exciting experience. She thinks that eating ice cream and strawberries with Van Johnson would be heavenly! Who wouldn't?

Phillips, Elizabeth Ann "Liz"
Harrisburg; Clarion Staff; Keystone Staff; Debaters Team; Spanish Club. Olney: G.A.A. 4; Thespians 4; Senior Play.

Liz is a newcomer this year from Harrisburg. She was also our Pow Wow Queen this year. Her hobby is skating, and she's pretty good at it. Skating being her hobby, her favorite topic of conversation is skating. Listening to Harry James play "Stardust" and eating steak and French fries are never turned down by Liz.

Lloyd Larry and Jack Berry—Lloyd guided school affairs through his being president of Student Council. Jack was class chairman and could always be counted upon to be M. C. of any affair.

CLASS OF 1947

Pool, Arthur John "Speck"

Basketball 2; Softball 2; F. F. A. 2.

Arthur plans on entering the U. of I. and taking Agriculture, Fishing, eating ice cream, talking about girls, dreaming about Hedy Lamarr and watching baseball games are Arthur's Favorite pastimes.

Ross Velvalee "Vev"

Olean 3, 4; Rifle Club 1, 2; Thespians 1, 2, 3, 4; F.H.A. 1; G.A.A. 2.

Duke Ellington and "I'm in the Mood for Love" sends Vev. She also enjoys southern fried chicken and would like to attend the University of Tulsa to study geology. Vev's most exciting experience was winning the Blind Tournament at Flora. Her favorite topic of conversation is—men!

Jack would like to attend the U. of I. and study law. His most exciting experience was skipping school Friday afternoons. "If I'm Lucky" and "Rhapsody in Blue" are two of Jack's favorites, although he has many more. Whenever and wherever there's ice cream you'll always find Jack—he loves it!

Schonert, Wayne

F. F. A. 1, 2.

Wayne likes to read about sports and listen to Spike Jones and his City Slickers. His most exciting experience was riding with Dean Smith—and knowing Smitty you can bet on it being exciting. He would like to meet Bob Hope, but he would be satisfied with French fries and "malts".

Shearer, La Vaughn Dorothy

"Vonnie"

"Vonnie" would like to enter the field of advertising some day, but she has no definite place in mind. Sports are all right with her as long as they are either bowling or boxing. She likes to read Alley Oop and would like to meet Bette Davis. She couldn't get along without date pudding—sounds good!

Rose, Paul Eugene "Gene"

Student Council 3, 4, Sec. 4; Olean 4; Spanish Club 3; Senior Play; Member of National Honor Society.

Gene is always willing to give a helping hand when anything comes along. He particularly enjoys watching basketball games and of course winning the Holiday tournament at Flora was his most exciting experience. GIRLS, girls, girls, apple pie a la mode, and "Sentimental Journey" are tops with Gene!

Roth, Julietta "Babe"

Julietta is interested in secretarial work as her vocational. Her favorite topic of conversation is what happened the night before. Her list of favorites include dancing, Xavier Cugat, outdoor sports, "The Things We Did Last Summer", Bing Crosby, dressing and doughnuts—quite a list!

Scherer, Raymond Leroy "Shorty"

Basketball 3; Softball 1, 2, 3.

"Shorty" would like to attend the U. of I. and study airplane mechanics. His most exciting experience will be when he receives his diploma. He would rather be eating ice cream than anything, that is except playing volleyball. Spike Jones is "solid" with Shorty, no matter what he is playing. His ambition is to meet General Eisenhower.

Seymour, Joan "Jo"

Rifle Club 1; G.A.A. 2, 3, 4, President 4; Thespians 2, 3, 4, National Thespians 3, 4; F.H.A. 1, 2; Band 1, 2, 3, 4, Sec. Treas. 3; President 4; Olean 3, 4; Senior Play.

Being crowned Queen of the 1946 Pow Wow was Jo's most exciting experience. As for her hobby: It's swimming and diving, and she's really tops. She says her favorite topic of conversation is men, but we are pretty sure it's just a "man"!

Smith, Dean "Smitty"

Football 2, 3; Track 3, 4; Olean 3; Basketball Manager 3.

Smitty's most exciting experience was running in the State track meet at the U. of I. Woody Herman and "Stardust" appeal to Smitty musically, and his favorite comic strip is "Smitty"—naturally. He can really go for lemon pie and French fries, but his TOP favorite is dating out-of-town girls!

Spangler, Anna Mae "Ann"

F.H.A. 1; Thespians 3, 4; Band 1, 2, 3, 4; G.A.A. 3; Chorus 4.

Harry James and "For Sentimental Reasons" are favorites with Ann. She loves lemon pie and would like to meet Bette Davis. Ann's most exciting experience was winning first in the flute quartet at Charleston in '46. She would like to make office work her vocation. Ann says nothing can beat swimming.

Thirza Badger—Thirza, another outstanding senior, was naturally more interested in home economics and F. H. A. She was the president of F. H. A. this year.

CLASS OF 1947

Spillman, James Oliver "Jim"
F. F. A. 1.

Jim would like to enter the U. of I. and study science. He is another Tommy Dorsey fan, especially if he's playing "The Old Lamplighter". He loves cherry pie but would rather meet Virginia Mayo—who wouldn't?

Summers, Dale Justin "Flit"
Football 1, 2, 3, 4; Basketball 2, 3; Thespians 4; Senior Play.

Flit still thinks his most exciting experience will be graduation. His favorite book is "The Cathedral" and the sport is football. Any kind of food suits Flit—just so it's something to eat. Of course his favorite conversation is women and to meet Ingrid Bergman would be perfect.

Tibbs, Donna
Rifle Club 1; Chorus 1, 2; Olnean 4; Office Practice 4; Senior Play.

Donna's ambition is to be a housewife—good luck! Her most exciting experience was going to Great Lakes. Harry James is her favorite in the line of music—especially if he's playing "I Can't Begin to Tell You". Eating steaks and talking about men are two of her top favorites.

Warren, Maxine "Butch"
Chorus 2; F.H.A. 1, 2.

Maxine would like to attend the U. of I. and take a secretarial course. Her favorite sports are swimming and bowling. Her favorite topic of conversation is people in general. Eating steak and French fries is a favorite pastime for her. She says her most exciting experience was going for a jeep ride with Max Hocking, but she may be kidding.

Williams, Eleanor
Eleanor moved to California early in the year and she'll graduate there.

Elliott, Lester Robert "Bob"
Band 1, 2, 3.

"He's in the Navy now" is the tune we're all singing about Bob. He enjoys reading comic books and talking about the women—naturally. He would be satisfied eating weiners and sauerkraut the rest of his life!

Struble, Kenneth Glenn "Kenny"
Chorus 1, 2.

Kenny says his hobby is getting into car wrecks, and his most exciting experience was his first car wreck! His favorite magazine is Esquire, and his favorite topic of conversation is women. Kenny is crazy about angel food cake, but would rather meet Red Skelton anytime.

Tarwater, Ruth Ann "Ruthie"
F.H.A. 1, 2, 3, 4; Olnean 2; Thespians 2, 3.

Ruthie has quite a collection of phonograph records as it is her hobby and favorite topic of conversation. She thinks Tommy Dorsey and "Stardust" are strictly in the groove. To meet Hoagy Carmichael would be wonderful, but until she does she'll get her fill of fried chicken.

Totten, Jo Ann "Jo"
Rifle Club 1, 4; Band 1, 2, 3, 4; Member of National Honor Society.

Jo swoons over Harry James and "The Old Lamplighter". She would like to enter the field of beauty culture as her vocation. She is happiest when reading "Seventeen" and eating lemon pie. She is an ardent football fan and enjoys playing tennis. She would like to meet Ingrid Bergman.

Weber, Iva Lou "Lulu"

Iva Lou thinks her most exciting experience was winning the Holiday tournament at Flora. Some of her favorites include Guy Lombardo, "If I'm Lucky", basketball, bowling, steak and French fries, Frank Sinatra, and men!

Williams, Loreda "Hezz"
G.A.A. Sec. 2, Calhoun.

Loreda plans to be a telephone operator after she graduates. She enjoys Perry Como and "Sentimental Journey." Loreda likes to eat ice cream and talk about men. She must be another Hocking fan, because her most exciting experience was going for a jeep ride with him!

Cole, Edgar "Ed"
Ed left the second semester of his Junior year to join the service.

"Are you looking for a good advertising man?" The Olnean Staff can recommend **Gene Rose** and **George Miller** as experts in that field.

We Look To The Future

We've been together now for four long years
In all our work and play,
But the time has come for each to go forth
And find his chosen way.

We have just passed through another stage
Upon our road of life;
We have our responsibilities to face
In this world of strife.

We are the future of our country,
The planners and the doers,
The great and small, the rich and poor,
The actors and the cuers.

The makers of our homes and the builders
Of a better nation,
All through individuality and not
Through emulation.

Outstanding scholars, stately preachers,
Workers for the good of man,
May some day come from those little boys
With whom you played and ran.

So with high hopes for the future, we
Now bid a fond good-bye,
To all the joys and memories of our
Years at Olney High.

—Katherine Sue Mullinax

Senior

Where there's music, there we find Dona Boone and Nelson Leo. Both are terrific on a dreamy waltz or a hot jazz number. We could always see the class' best dancers at all the school dances.

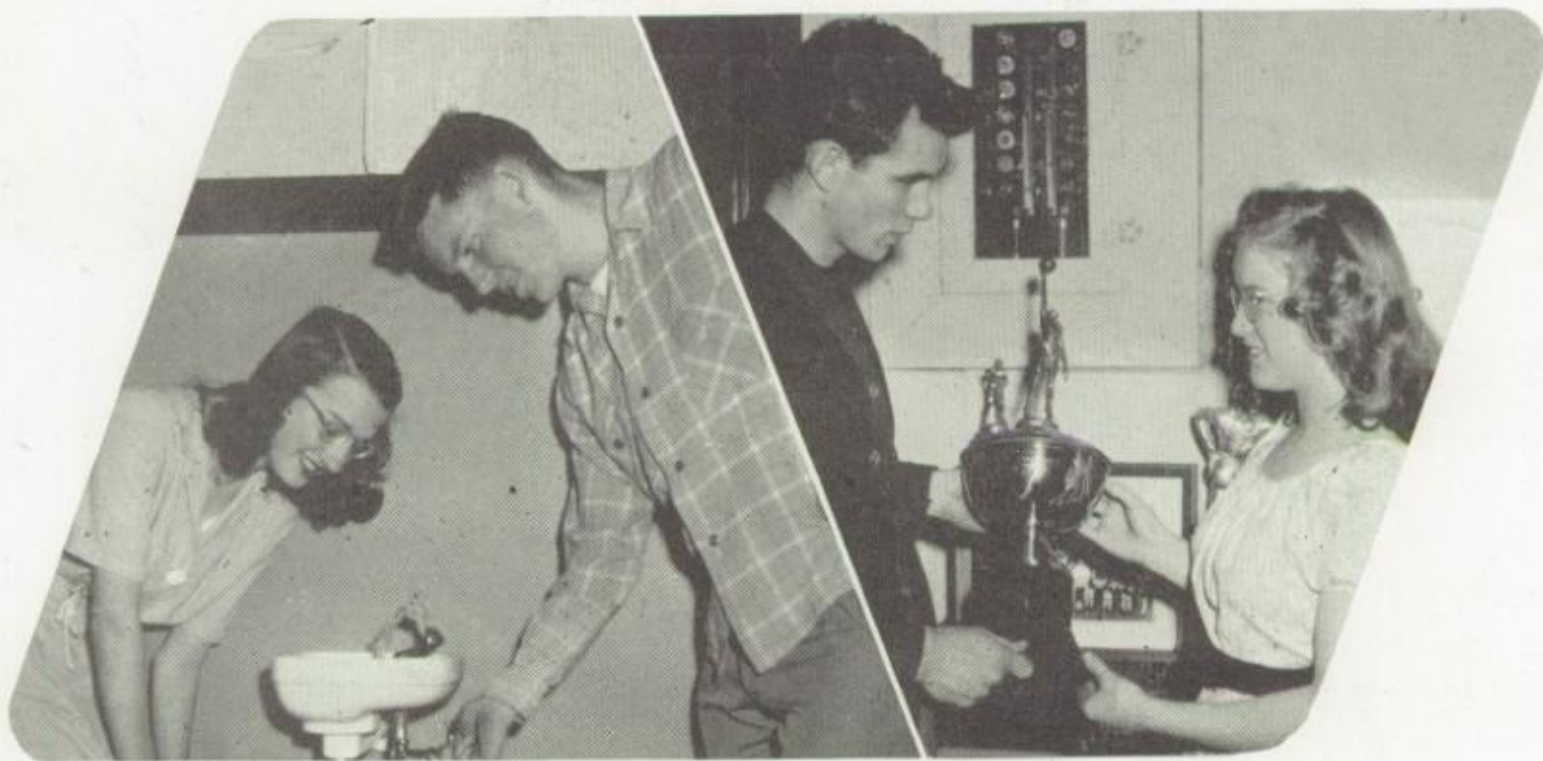

We voted Joan Seymour and Gene Rose the most popular of the '47 class, and there is good enough reason! They were both interested in all phases of school life and always anxious to make school life more pleasant for others.

Taking the best-all-around vote, Jo Ann Totten and Jack Berry seem pretty happy about it all. Jo Ann was one of our efficient office girls and Jack was our super class chairman.

Jean Gaskins and Jack Schaeffer take top honors for good looks, although we must admit that they had competition from their classmates. Both were active in school affairs, and we think they both deserved this honor.

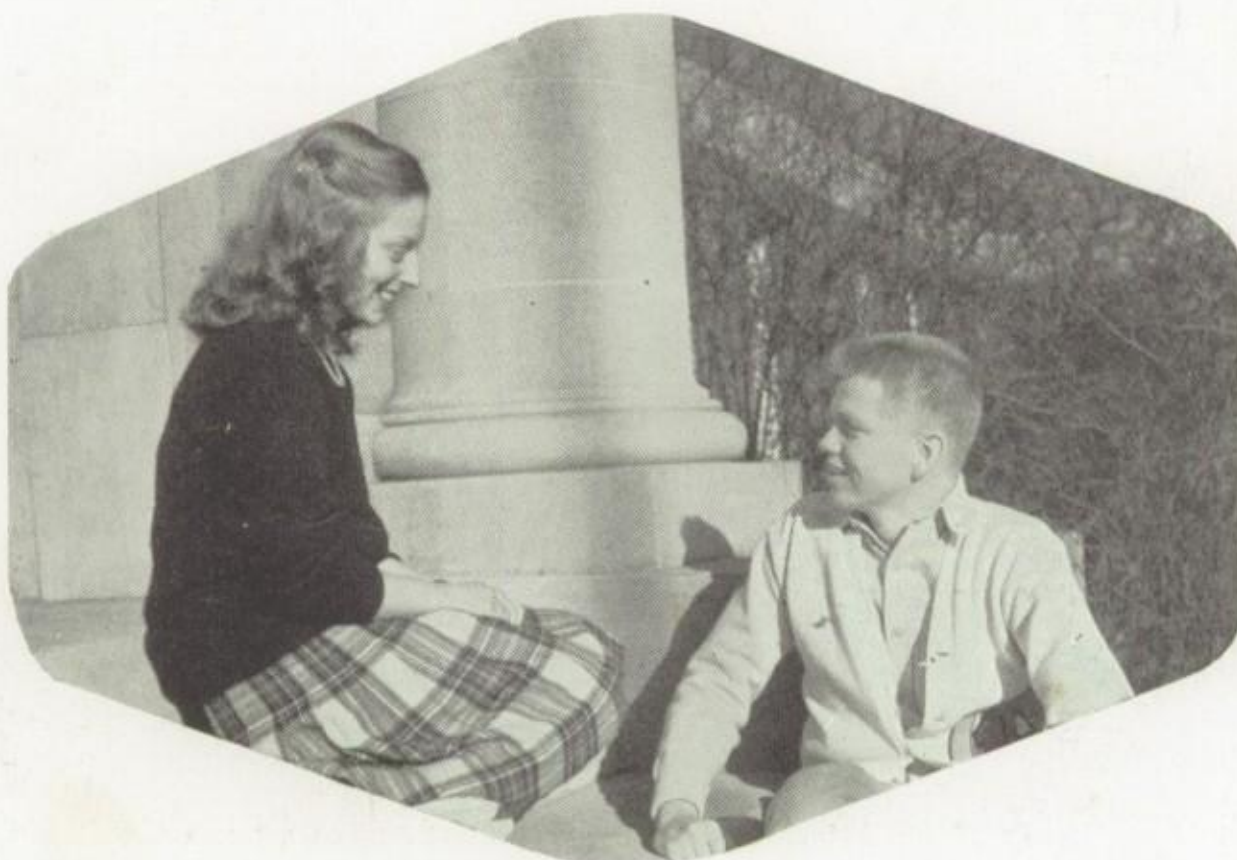

Who's Who

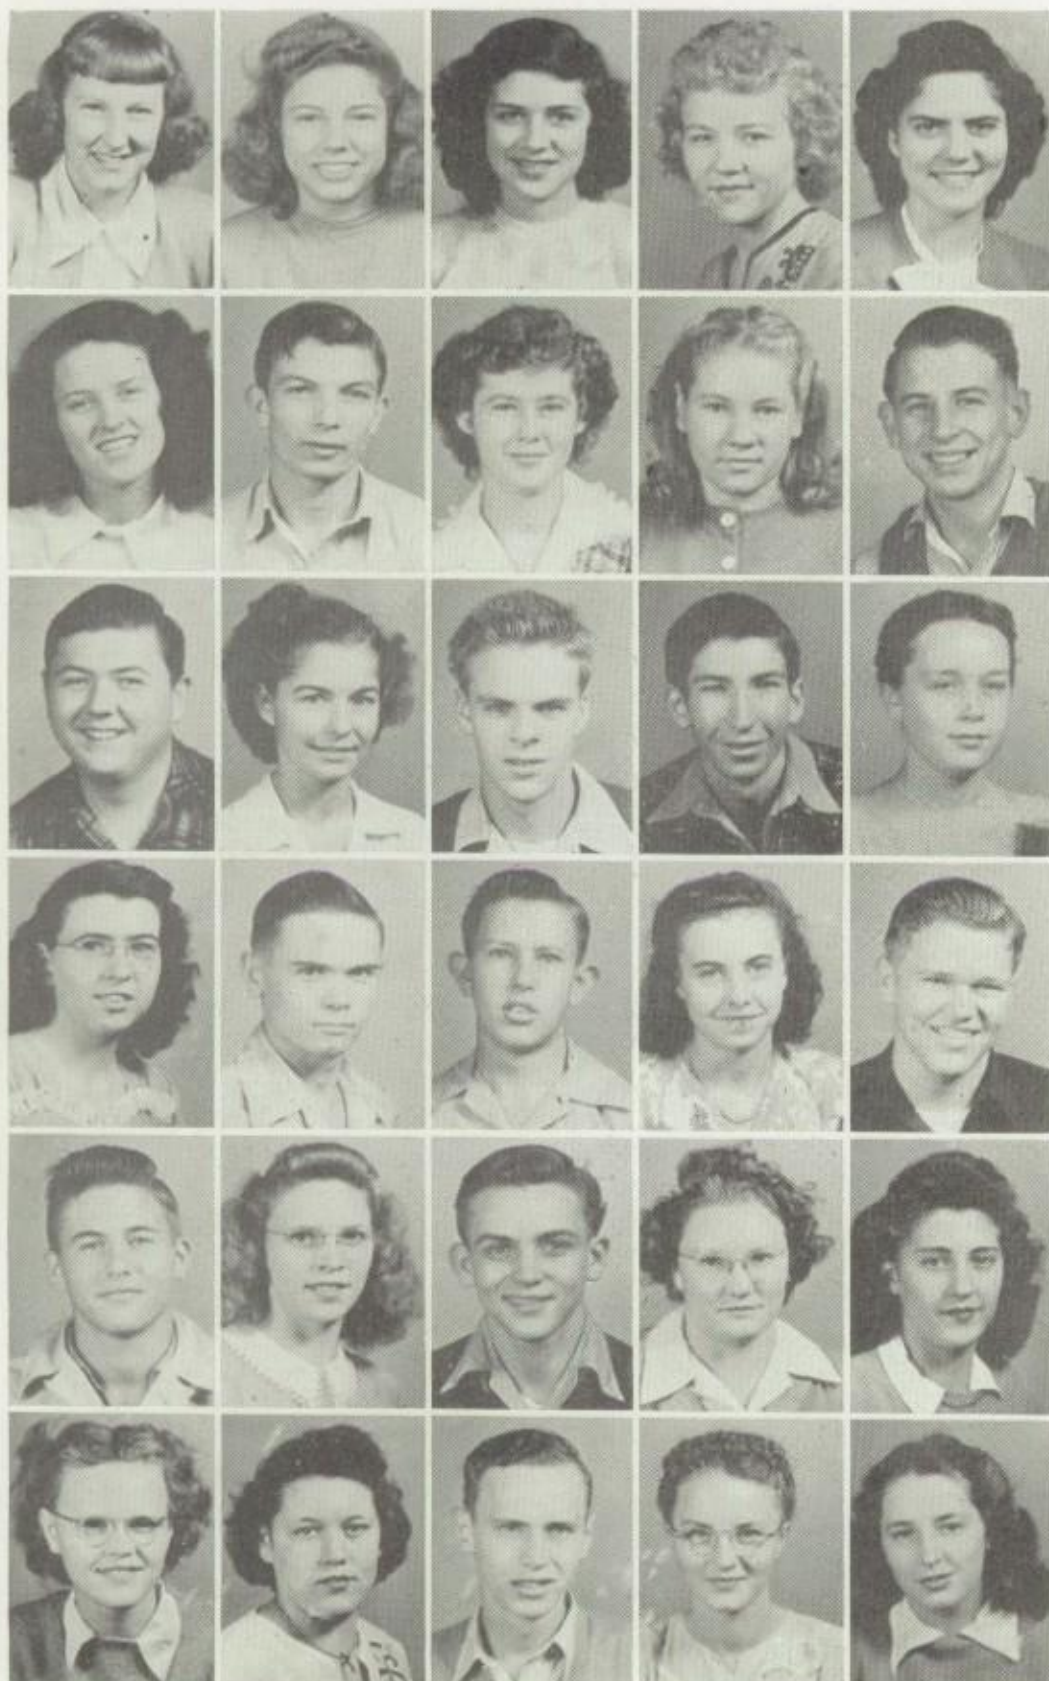

When the last vote was counted, we found that Katherine Sue Mullinax and Dean Smith were chosen as the happiest seniors in school. Always laughing and joking, these two were a real joy to the '47 class.

Evelyn McDaniel and David Westall, both being interested in sports, were named the most athletic members of the class. Dave was quite thrilled about winning the Flora Holiday Tournament and here he is telling Evelyn just how the team won it.

Of all the friendly seniors, we picked Barbara Keen and Bob Herring as the friendliest. Always ready with a smile to cheer us up, "Pinkie" and "Goldie" made a colorful addition to our class of '47.

The Council met at noon in the library to discuss important affairs of the school. It sponsored the noon dances and school affairs in general.

Sports

Don't worry about the rebound boys, Schaeffer's going to make that shot.

Kenny Worstell

Kenny Worstell was one of our cheerful, well-liked Freshmen, this year. He was out for football and loved all sports. On November 9, 1946, he and his brother, Douglas, were killed in an airplane crash.

Although this was Kenny's first year at O. T. H. S., he had made many friends both in his class and among the upper classmen.

In his memory we dedicate this sports section.

Our Athletic Director and Football Coach, Mr. Frank Newton.

FOOTBALL HIGHLIGHTS

We look to the future in football, better equipment, better teams, and better seasons. Let us not forget the season just passed at O. T. H. S., the spirit of our boys both in victory and defeat.

The season started at Newton with both teams failing to score. Then our first victory, over Fairfield 19-13. The Tigers came from behind twice to become the victors. We lost at Lawrenceville 25-12 and again at Bridgeport 20-0. The team came back against Mt. Carmel to win 13-7 and brought back new spirit to themselves and the Olney fans. The largest crowds in Olney's football history turned out for the Salem and Flora games. Although the boys lost to Salem 53-0 and then to Flora 55-0, they kept high spirit in both games. Remember the disputed touchdown in the Flora game?

Elected most valuable man by his team was Gene Harmon. Bob Schmalhausen was elected captain for the second straight year.

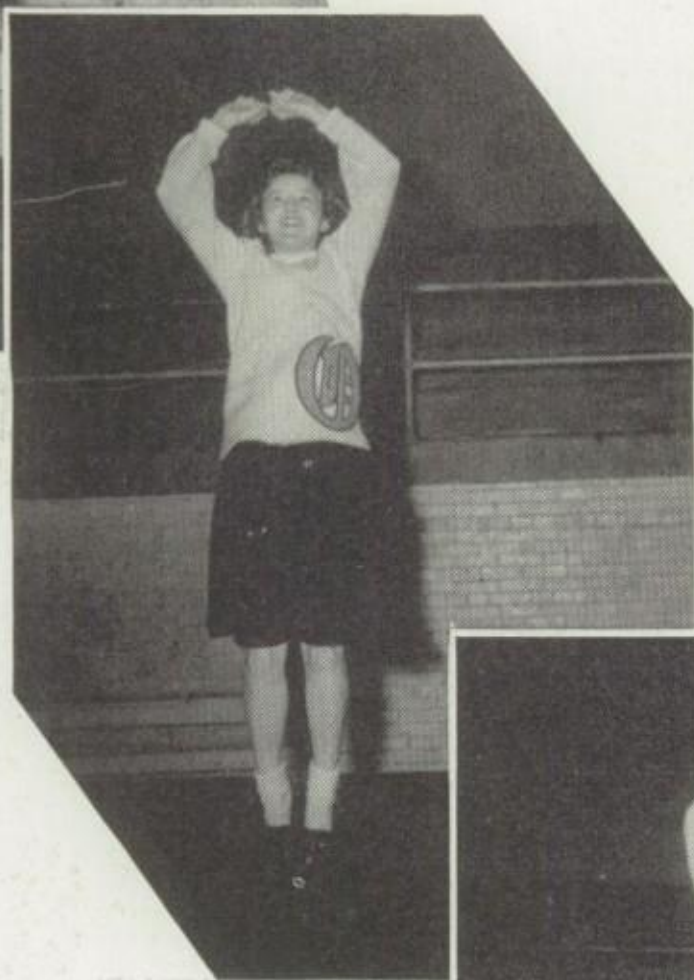

Nine seniors have finished playing football for Olney: James Brinkley, Max Hocking, Jack Schaeffer, Dale Summers, Jack Berry, George Di Ciro, Bob Hayes, Bob Herring, and Bill Donhaiser.

Bob Hearring is doing his best to get the ball from Flora in a chance to score.

A crucial time out in the Olney-Flora game: Three minutes to go—four points behind.

Westall passes to Donhaiser despite Summers' (Lawrenceville) attempt to prevent him from shooting.

Another highlight in Olney-Flora game as Jack Schaeffer dribbles in to add two more points to our score.

BASKETBALL 1946-1947

If you saw good basketball played this year, you no doubt were present when the Olney Tigers were in action. Although the team didn't get as far as we expected or wanted them to, it was a very good year for our team.

Getting off to a slow start but improving steadily under Frosty Sprowl's coaching, they advanced to win the New Year's Day Tournament at Flora. It was a hectic day but a good start for the New Year.

The Tigers after starting the New Year right lost to Salem by one point and then to Flora in an overtime. The third time being a charm, we almost lost to Bridgeport by one point, but Westall saved the game by that beautiful shot in the last three seconds. Remember the wonderful Robinson game in our gym? They were all exciting games and the gym was packed for every one of them.

Dave Westall was elected most valuable man by the team, and Bob Schmalhausen was chosen captain for next year's team. Dave Westall and Jack Schaeffer were placed on the North Egypt's Conference First Team.

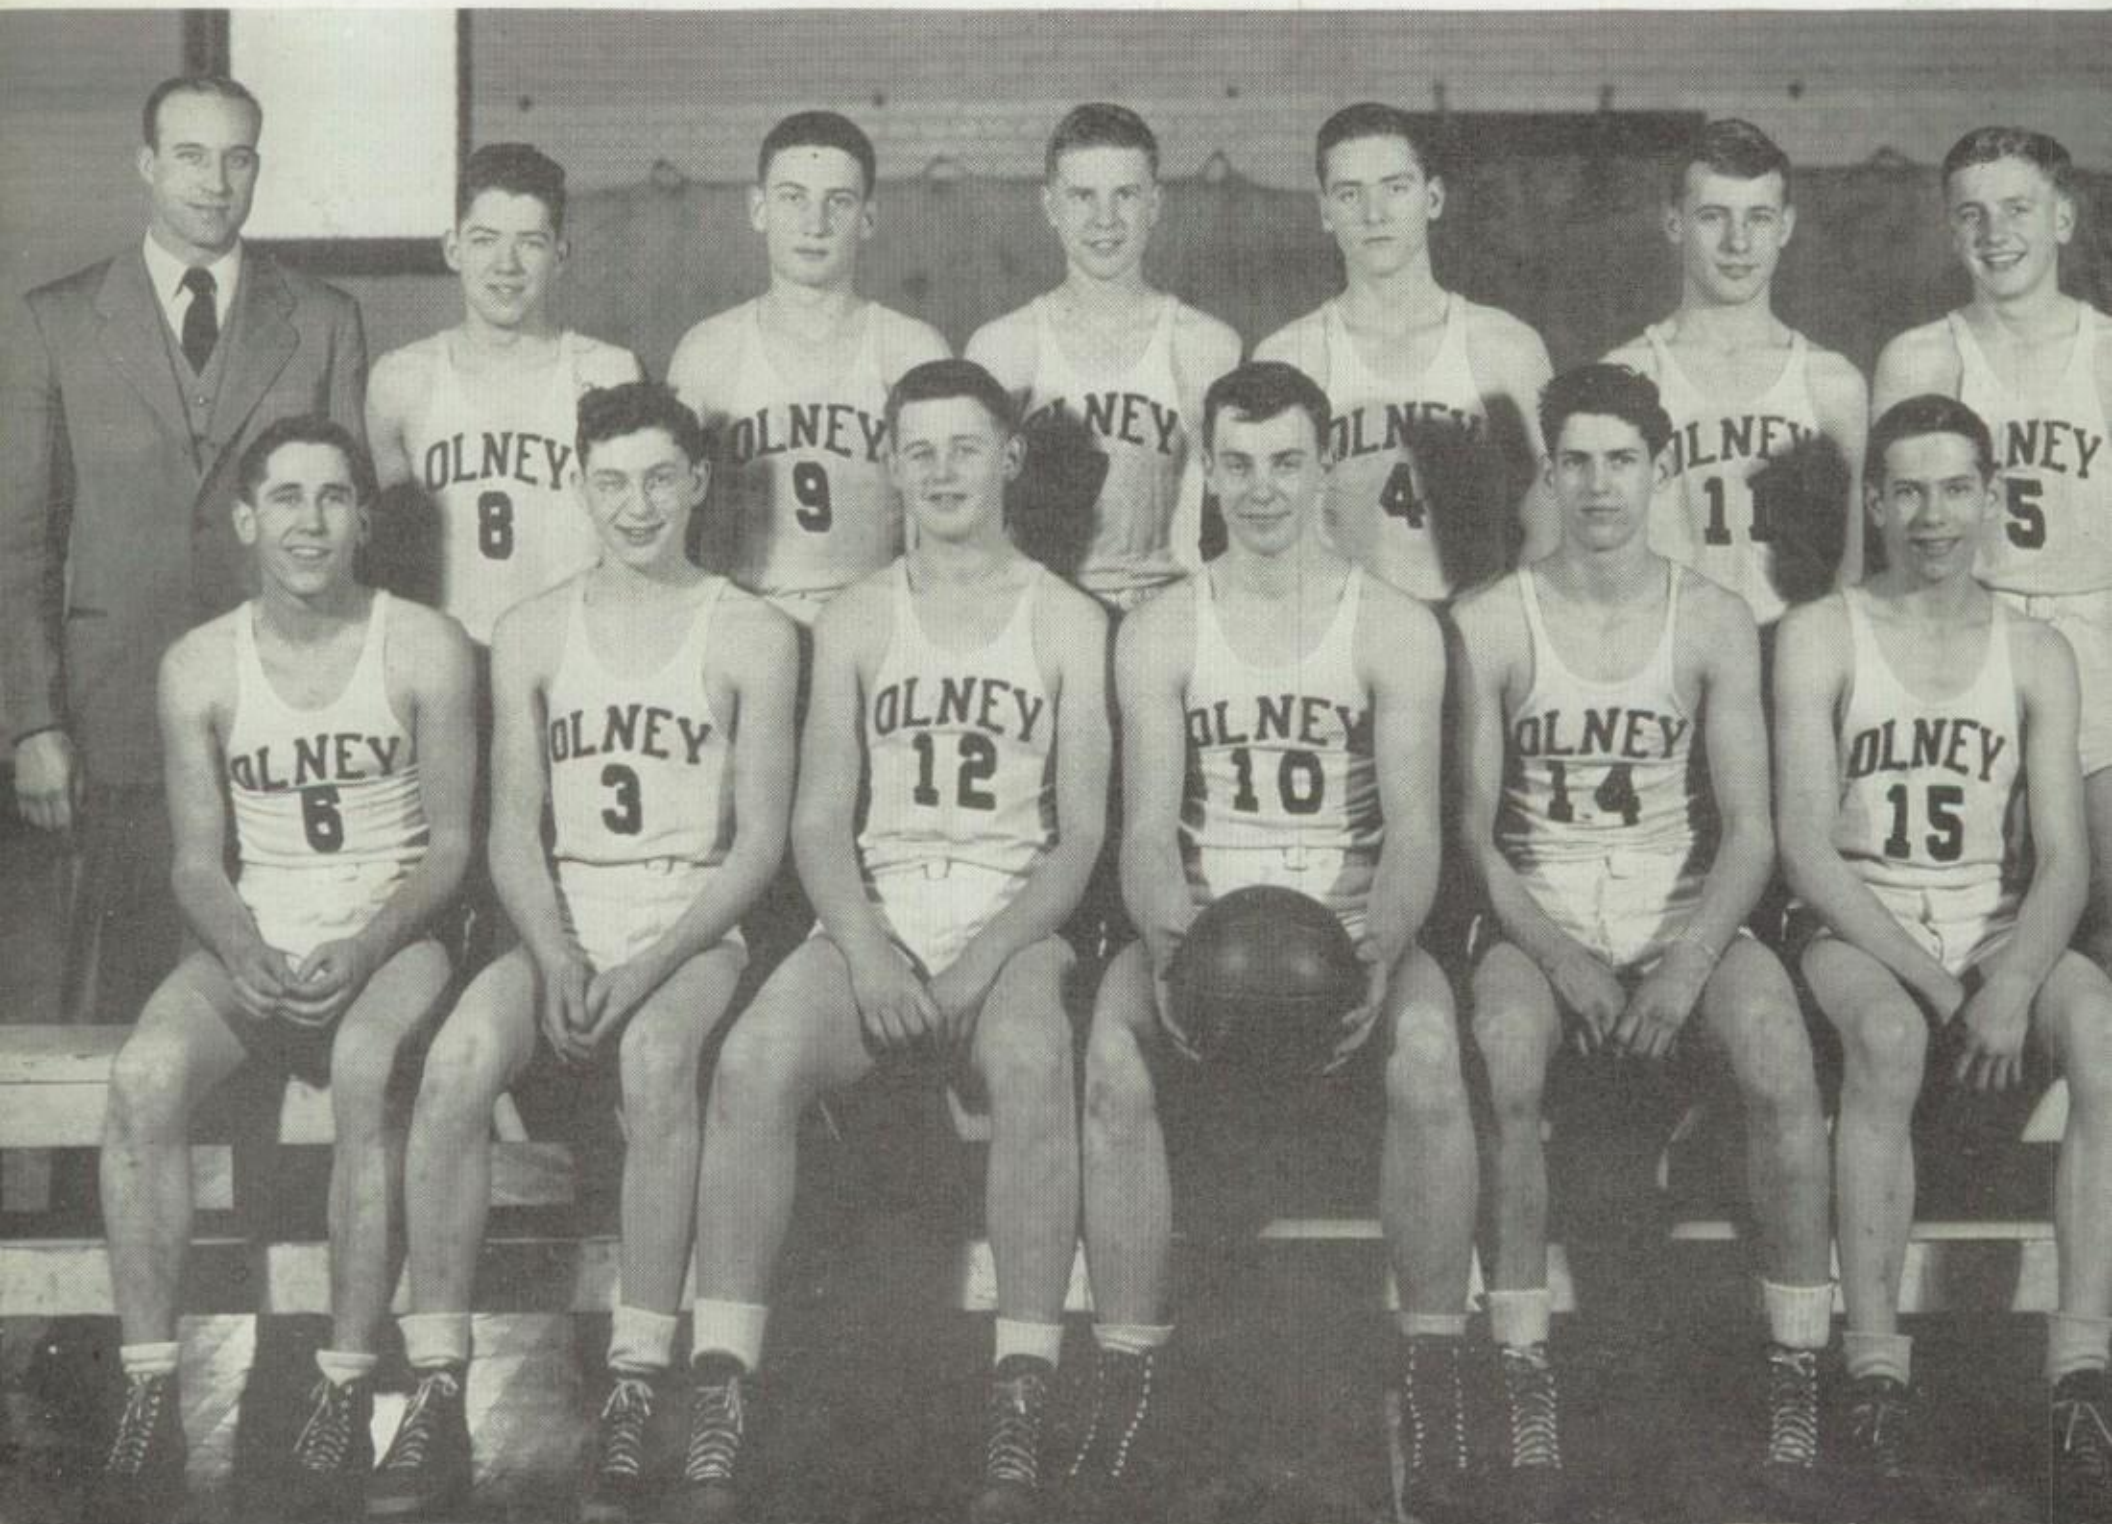

Seniors on the team are Dave Westall, Jack Schaeffer, Bill Donhaiser, Lloyd Larry, Bob Herring and Bob Hayes.

This season also finished a year and a half of successful coaching for Frosty Sprowl.

TRACK

Bill Donhaiser is preparing to take off to win second at the North Egypt Conference Meet held at Salem. He also came in second in the high jump there.

John Gilbert and Dean Smith after coming in first and second respectively in the 220 yard dash at the District Meet. Smitty and Johnny also took first and second in the 100 yard dash and went to state.

Bill Donhaiser, John Gilbert and Dave Westall take a few minutes to relax after pole vaulting, running, and high jumping to look at the camera.

Here is our 880 yard relay team after taking first in the District to go to state. This team composed of Jewell Eichhorst, Lloyd Larry, John Gilbert, and Dean Smith went through the track season undefeated. We're mighty proud of all you and Coach Frosty Sprowl for a successful track season at O. T. H. S.

TRACK 1947

This year's track squad was small, but Coach Frosty Sprowl worked hard with what material he had and turned out a fine team. Although the team lacked quantity, it certainly didn't lack quality, as Olney had some of the outstanding trackmen in this part of the state.

The Olney Thinlies made a good showing at the North Egypt Conference Meet at Salem where they placed third. With only a handful of trackmen Coach Sprowl and his team took fourth place in the District Meet held at Bridgeport, only four points behind the winner. They also made good showings in dual meets at Bridgeport and Newton. Part of the team competed in the Indian Relays held at Lawrenceville.

The boys who carried the Orange and Black and represented Olney on the track in 1947 are as follows:

Sprinters: Dean Smith, NEC Champion in both the 100 yard and 220 yard dashes and District winner of the 100 yard dash. John Gilbert, winner of the 220 yard dash at the District Meet. These two boys were outstanding sprinters and usually placed first and second in all the meets. In the 440 yard dash were Lloyd Larry and Bob Herring who held their own in any track meet. In the half mile were Don Watson, a promising freshman, and Vernon Fildes. The team's milers were Roy Hixon, Keith Phillips, and George Miller. Hixon and Phillips placed fourth and fifth respectively in the NEC Meet. The team's hurdlers were Jewell Eichhorst and Don Watson. Eichhorst was one of the outstanding low-hurdlers in the North Egypt Conference. Field Events: Bill Donhaiser and Dave Westall were the high jumpers. Donhaiser was Olney's only pole vaulter. In the weights Nelson Leo threw the discus and Dave Westall and Bob Grove were the shot-putters. Representing Olney in the broad jump were Jewell Eichhorst, Dave Westall, Lloyd Larry and Ronald King.

Probably the outstanding part of this year's track team was the 880 yard relay team. This speedy quartet copped the North Egypt Conference title, and took first place in the District Meet at Bridgeport. It was undefeated at dual meets and participated in the state meet held at Champaign. This classy team was composed of Jewell Eichhorst, John Gilbert, Lloyd Larry, and Dean Smith. Ronald King filled in very capably when one of the other fellows was unable to run.

Seniors on the track team are: Bill Donhaiser, Bob Grove, Bob Herring, Lloyd Larry, Nelson Leo, George Miller, Dean Smith, and Dave Westall.

Intramural

When you untangle this mass of arms and legs you come out with none other than the Sophomore Team. Standing: Richard Childress, Bill Welker, Jim Miller, Charles Totten. Kneeling: Jimmy Edwards, Charles Kesler, Ted Beagle, Dean McDaniel.

This might seem like quite a stretch for most teams but not for those mighty Juniors. From left to right: Donald Pennington, Malcolm Pontius, John Gilbert, Keith Breithaupt, James Hillis, and Robert Sutton.

This is the array of new sports talent the Freshmen brought with them to O. T. H. S. Standing: John Gaddy, Lee Greenwood, Jim Spieth, Roy Shake, Clarence Lydle, Bill Schmalhausen, John Phillips. Kneeling: Dick Fessel, Jim Turpin, Gene Wyatt, Don Hayes, and Galen Hughes.

WE LOVE TO PLAY

G. A. A.

What a year! Puff—Puff!! But don't get the idea we're sorry. With all our fun and work combined everything came out swell. Our first activities were deck tennis and volleyball with members of every class making up each team. The DOTS (Dream of a Team) came out on top in volleyball but were beaten by the Jinx's in the deck tennis tournament.

Then came the rip-roaring basketball season. You wondered what that yelling and screaming echoing from the gym was. Well now you know! It was pretty hard to keep from screaming when you were playing in a breathtaking overtime. When the finals came out, it was the champs—Rudy's Roughnecks—but only beating the Senior Black Widows by one point.

That was a sample of our play—now here's one of our work. For every basketball game, we kept the fans happy by selling them candy and cokes. Then at the Pow-Wow, you saw all those beautiful girls standing behind coke bars contributing their share to the biggest Pow-Wow ever.

After all this backbreaking work, we began to enjoy the fruits of our labor. In late spring, we gave a Circus party with pink lemonade, coney islands and all the stuffin's. On May 3rd Olney held a G. A. A. Playday inviting Flora, Salem, Fairfield, Mt. Carmel, Bridgeport, Robinson, Lawrenceville, and West Salem. Deck tennis, volley ball, and table tennis were the big events of the day.

Pretty big year—eh? Well, that's the G. A. A.

Our corps of band officers: Joan Seymour, president; Jack Berry, vice-president; James Hillis, transportation manager; Susie Harms, secretary-treasurer.

Trombones and baritones are two outstanding groups in the band. Wid Pauley, baritone; and Bob Bailey, trombone; both won first in state. The trombone quartet, Bob Bailey, Pat Houser, John Fritschle, and Doyle Kermicle won a second in State. Pat played in the brass sextet. From left to right: John Fritschle, Doyle Kermicle, Jim Pottorff, Bob Bailey, Pat Houser, Jarl Blank, Walton Willis, Kathryn King, and Wid Pauley.

Boom, boom, crash! Such go the drums of our Band. This, too, is another section that has come a long way this year. From left to right: Carolyn Hovey, Mariam Henderson, Boyd Wagner, Ted Dillman, Bob Kowa, Jim Dillman.

Saxophones, bass clarinet, oboe, bassoon, and flutes are the other members of the woodwind section. A saxophone quartet got second in the District and Jean Nelson won first in District and second in State with her solo. The flute quartet, Joan Seymour, Nan Van Matre, Dolores Clarke, and Pat Decker received a second in State also. Reading clockwise: Bill Wimer, Jean Nelson, Viola Bower, Susanna Conour, Joan Cochran, Joyce Iaggi, Rosa Lea Beaumont, Joan Fritschle, Darrel Dunn, Gerald Greenwood, bass clarinet; Louise Weber, bassoon; Charlotte Berry, oboe; Pat Decker, Carol Piper, Ann Spangler, Dolores Clarke, Nan Van Matre, and Joan Seymour, flutes.

Cornets and trumpets are the colorful members of the band with their fanfares and brilliance. James Hillis and Ted Dean played in the brass sextet which got a second in the State. Mary Ann Dunning played a solo at District and received a second. From left to right: Nancy Kessler, Ted Dean, Mary Ann Dunning, James Hillis, James Pampe, James Hunt, Jim Concannon, Bill Richards, Hal Pritchard, and Bob Van de Voorde.

One of the mainstays of our band is the bass section. John Gilbert won first both in State and District with his solo. He also played in the brass sextet. From left to right: Kenny Negley, John Gilbert, and Lloyd Stivers.

"Up from the dark" might best describe our clarinet section. It started out this year as the poorest section, but now it is able to hold its own in the band. A clarinet quartet and solo were entered in the district but neither qualified for State. Reading clockwise: Earl Wachtel, Jo Ann Totten, Shirley Gregory, Rosella Pauley, Lenore Grove, Joann Jones, Katherine Mullinax, Patsy Totten, Bernadine Scherer, Helen Mullinax, Betty Davis, Carolyn Campbell, Norma Jean Nettleton, Marjory Bradshaw, Dan Pemberton, and Jack Berry.

"On to State" was the motto of these band members as all won first in the District Contest: Row 1: Nan Van Matre, Pat Decker, Joan Seymour, Dolores Clarke, Elzanna Pauley. Row 2: Jean Nelson, Susie Harms, Cathryn Campbell, Pat Houser, John Fritschle. Row 3: James Hillis, Ted Dean, John Gilbert, Bob Bailey, Wid Pauley, Doyle Kermicle.

Cymbals crashed, drums beat, and horns blared as the Olney Township High School Band started out this year. "Gus" having just come back struck up Olney's 40 piece band.

Our program began with the football field marching. Every morning about eleven you heard marching feet going briskly toward the field and the practice definitely paid off. We even traveled to Lawrenceville to keep up our football team's spirit.

After football season we settled down to more classical music. 'Twas quite a change as we got ready for our February concert.

Then the work began. The District Contest at Bridgeport was fast approaching and we had three numbers to prepare. We chose "Spiritual Rivers," "Ariane," and "Hall of Fame." Our labors were repaid gloriously as the Band received first from all four judges.

For the next few weeks "Spiritual Rivers" and the others were coming out of everyone's ears and the whole school was humming them. Our, now, 70 piece band was off to the State Contest at Canton on May 10th. Among the "sweet sixteen" of Illinois Olney stood up first class. We took two firsts and two seconds equaling a second of which we're really proud.

One of our strongest sections: the horns. The horn quartet got second in District and Susie Harms won first in State with her solo. Cathryn Campbell played in the brass sextet which went to State. From left to right: Susie Harms, Cathryn Campbell, George Ann Doan, Keith Lanter, Vera Harms, Elzanna Pauley, La Von Baylor. Elzanna Pauley also won first in State with her baton twirling.

Volunteer Chorus

- Row 1:** Joann Jones, Carolyn Hovey, Katherine Mullinax, Nan Van Matre, Dona Boone, Louise Weber, Mary Michels, Mary Ann Dunning, Ann Spangler, Carol Piper.
- Row 2:** Susie Harms, Vera Harms, Cathryn Campbell, Rosella Pauley, Shirley Dale, Martha Gassmann, Carolyn Campbell, Kathryn King, Norma Nettleton, Elzanna Pauley.
- Row 3:** Dan Pemberton, Doyle Kermicle, Bill Richards, Ted Dean, Jim Concannon, Wid Pauley, John Fritschle, Wayne Shipley, Jack Berry.
- Row 4:** Dick Weber, Bob Bailey, Jack Schaeffer, John Gilbert, Bob Van de Voorde, James Hillis.

Many mornings at 7:45 a wave of melody may be heard drifting through the halls of O. T. H. S.

The chorus this year under Mr. Sliva's direction was made up of volunteer members of the band and regular chorus. The chorus practiced before school and sometimes in the evenings.

Our first public appearance was a Christmas program for the student body. Also, we brought cheer to the sick and shut-ins with our caroling.

We had three vocal entries in the District Solo and Ensemble Contest: Mary Michels, Beulah Osborne, and Wayne Shipley—and all made a good showing.

The chorus sang for the teachers' institute and then we were off to the contest at Bridgeport.

The Olney chorus was one of the outstanding choruses present and, needless to say, we came home with a first rating.

The next major event in our life was the State Music Contest at Canton. Here we competed with the best choruses in the state and this time we received a third rating, which we think is pretty good for the experience we've had.

The year ended at Baccalaureate where the chorus helped to add to the air of solemnity with their hymns.

Yes, we are the Future Homemakers of America—striving to help others, take an active part in school life, and above all prepare for the future.

To be better prepared to lead our club, Thirza Badger, president; Mariam Henderson, program chairman; and Pat Scherer, State Parliamentarian; represented us at camp where Miss Edna Amado, Chief of Home Economics in the United States, and Miss Sheila Daly, journalist for the Chicago Tribune, were the main speakers. Discussion groups were held in parliamentary procedure, leadership, organization, committee work, planning programs, safety, and many others. Miss Wemhoener was elected State Sponsor for Illinois.

A number of girls and the two sponsors attended the Section F. H. A. meeting at Flora in the fall. A discussion on Publicity Books were held and election of Sectional officers also took place. Thirza Badger is the Section V's Project Chairman and Miss Wemhoener is Section V's sponsor. This is the third consecutive year we've had a Sectional Officer.

We worked hard for others through clothing drives, Christmas baskets to be sent overseas, and letters to foreign countries via the Red Cross. We worked for our club and school by selling Olney Tiger pennants, felt horses, greeting cards, milk at noons, and by serving banquets to make money to finance our schemes.

We played, too. We had several parties with the F. F. A.; Halloween, Christmas, and Valentine parties; Sunbonnet Hop; Mother-Daughter Banquet, Eighth Grade Tea, and a family picnic.

Special recognition should be given to the program, recreation, and refreshment committees who have helped make this the F. H. A.'s second and greatest year.

Miss Sullivan, County Home Advisor, and the County Nurse, Miss Dunbar were guest speakers at our meetings.

At the Spring Rally at Clay City, Mrs. Jenkins was elected Section Mother.

The retiring president, Thirza Badger, handed the gavel to next year's president, Jane Jenkins, to close a most successful year.

President Thirza Badger places the pledge pin on Betty Taylor at the formal initiation.

With the aim of having the best year ever, the Club started with a bang. With seventy high school students receiving instruction, Mr. Bower seemed to have plenty to do. The regular meetings were held on Wednesday and Thursday. The large group was divided into four sections. In these sections the members studied prone, sitting, kneeling and standing positions. As these difficult positions were accomplished, diplomas and certificates of achievement were awarded to the deserving ones. To boost the treasury, the Club sold refreshments at all the home football games.

Early in the year, with the Olnean and Rifle Club as co-sponsors, a magazine contest was conducted. The Rifle Club lost by a small margin but had to give the Olnean Staff a big party anyway.

The teams and individuals seemed to hit the bull's eye everytime. Club competition was held in the intramural matches. Lester Brown won the standing-off-hand honors and Bill Greenwood copped the prone match.

The Club also competed in the National Postal Matches consisting of four individual matches. They are quite proud to say that they placed in the upper ten percent of the nation.

To end one of its best years, the teams went to St. Louis to compete in the sectional part of the National Shoulder to Shoulder Match. Again, the Olney Club did very well for itself. Lester Brown placed first in the individual competition, and the team took the second place award.

Our check room opened again this year under the supervision of Jo Ann Miracle and was ready to serve the fans of the Olney basketball team.

At Thanksgiving, we took an intermission from our work with a party in the Home Ec. rooms.

Our bi-monthly meetings were devoted to skits and to learning some of the fundamentals of the stage. At our mid-year initiation, eight new actors were taken into the company.

Our major production of the year went into rehearsal in February and the play "A Date With Judy" was a great success.

"The Farmer's Daughter," an old-fashioned melodrama, was the Thespians' contribution to the Pow Wow. Jeanine Stoll played the innocent "farmer's (David Westall) daughter," Dolores Clarke was Ma, with Ann Lough as little sis. And, of course, there must be a villain, which was played by John Frederick, and last but by no means least, the HERO: Wayne Shipley.

The last meeting of the year was another initiation of ten additional actors. The Best Thespian award was given to Jo Ann Miracle for outstanding work in the club this year.

This summer Joann Jones and Jo Ann Miracle will represent our troupe at the National Dramatic Festival at the University of Indiana.

The curtain goes down as the school bus arrives safely home from Charleston, where we saw the E. I. S. T. C. production of "On Borrowed Time."

The major production of the year was a comedy "A Date with Judy," based on the radio show by Aileen Leslie.

It is the story of Judy Foster, her family and friends. Her club is having a dance and the girl that sells the most subscriptions to the community relief gets to be queen. Judy decides she should get it; the whole family suffers under her money making schemes. Even though Mr. Foster wins a prize for the most "kissable lips," and Mrs. Foster is described as a lively lady who used Glinto (Hair Dye), all turns out swell as Oogie and Queen Judy are off to the ball.

SCENES FROM THE POW WOW

"I crown thee, Queen of the Pow Wow."
Eddie (Al Jolson) Williams sings!
Congratulations from Mr. Cherry.
Amid fanfare and applause, the Queen enters.

Miss Joan Seymour, last year's Pow Wow Queen crowned this year's Queen.

The Pow Wow

"Make Mine Music", such was the theme for Olney Township High School's biggest Pow Wow yet. And we really made yours music. That sound of ping, ping, ping against the wall?—only the Rifle Club putting over their sharps and flats with bullets. The Hospital of Horror's screams of agony struck an unharmonious chord at every little interval and the Fish Pond, Court of Injustice, Candy Shop, and melodramas came in on the up and down beat working up to the allegro of the "Music Box" night club in the gym. The walls fairly danced with chorus lines and Walt Disney's fantastic characters, including the Whale who wanted to sing at the Met and Peter and the Wolf. Conductor Jack Berry, master of ceremonies, took up the baton, the Red Morris band swung out, and the floor literally swirled with jitterbugs.

Five of the attendants: Angela Kocker, Vera Harms, Beulah Osborne, Beulah Heindselman, and Susie Harms.

of 1947

Then came the glorious finale when Queen Elizabeth Phillips, escorted by Lloyd Larry, walked down the white aisle to a blazing trumpet fanfare. All heads were turned as last year's Pow Wow queen crowned Liz and Mr. Cherry offered his congratulations. Slow, sweet music drifted forward and the Queen and her attendants with their escorts went onto the floor to glide through the Queen's dance.

Next came the floorshow with tap routines, vocal solos, baton twirling, and a chorus, all set to music. Why it was practically professional and were the people astonished when they heard Al Jolson the second (Eddie Williams).

Again Red Morris struck up the band and so ended the best Pow Wow ever.

Long live the Queen! Miss Elizabeth Phillips, Queen of the Pow Wow of 1947.

The rest of the Queen's attendants: Delores Larry, Mary Michels, Donna Tibbs, Dona Boone, and Jo Ann Totten.

F. T. A.

From left to right: Miss Yost, sponsor; Julia Maas; Marion Clarke, secretary-treasurer; Wayne Shipley; Joan Madden, president; Marjorie Herman; Marilla Carson.

Something new in the way of clubs has been added to O. T. H. S. this year: the Robert Ridgway Chapter of the Future Teachers of America Club. F. T. A. Clubs exist in various high schools and colleges, but ours was only the tenth one in Illinois to be issued a charter.

The members of each chapter are given the privilege of naming their club after some well-known educator. We unanimously chose an Olney citizen, Robert Ridgway, as he was a world-known scientist and ornithologist.

We are small in number, but that hasn't stopped us from carrying out several interesting activities this year. Each member served as a proctor teacher in the absence of a regular teacher; at other times teaching was done with a supervising teacher present.

During National Education Week the F. T. A. Club gave a program for the school, bringing out the need for better education and better teachers, explaining the reasons for having a chapter and its ideas and functions.

The first year ended successfully with a party given by the members for their guests.

The retiring president and other Senior members wish the club and its sponsor, Miss Pearl Yost, good luck in their constructive work.

Olnean Staff

The Book was opened this year with a trip to Champaign: The editors, Barbara Keen, Evelyn McDaniel, Nelson Leo, and Katherine Sue Mullinax, and our sponsor, Miss Schmalhausen, went to the State Yearbook Convention.

The Work Chapter began with much aid from the many ideas we received at the State Convention. On one of the first pages in this chapter, we see the hard working Staff members selling magazines in their annual contest with the Rifle Club.

As we look into the index of many pleasant memories of the Olnean, we come to the word "Pictures," and we reminisce over Picture Day and the party we gave for the faculty.

A little farther on we come to "Pleasures," and we think of the Olnean Dances, in particular, the big Christmas Dance. We see the trip to Chicago on May 9, which Barbara, Evelyn, and Miss Schmalhausen took. They visited the engraving plant where our plates are made and all in all they had a wonderful time.

With the finishing of the book and the distribution, the editors close the pages of a wonderful year for the Olnean. We hope we rate All-American.

NATIONAL HONOR SOCIETY

From left to right: Martha Gassmann, Barbara Keen, Marilla Carson.

Here come the Quiz Kids of Olney Township High School. But quizzing isn't the only thing these students can do. They're outstanding in all things, especially character, leadership, and service.

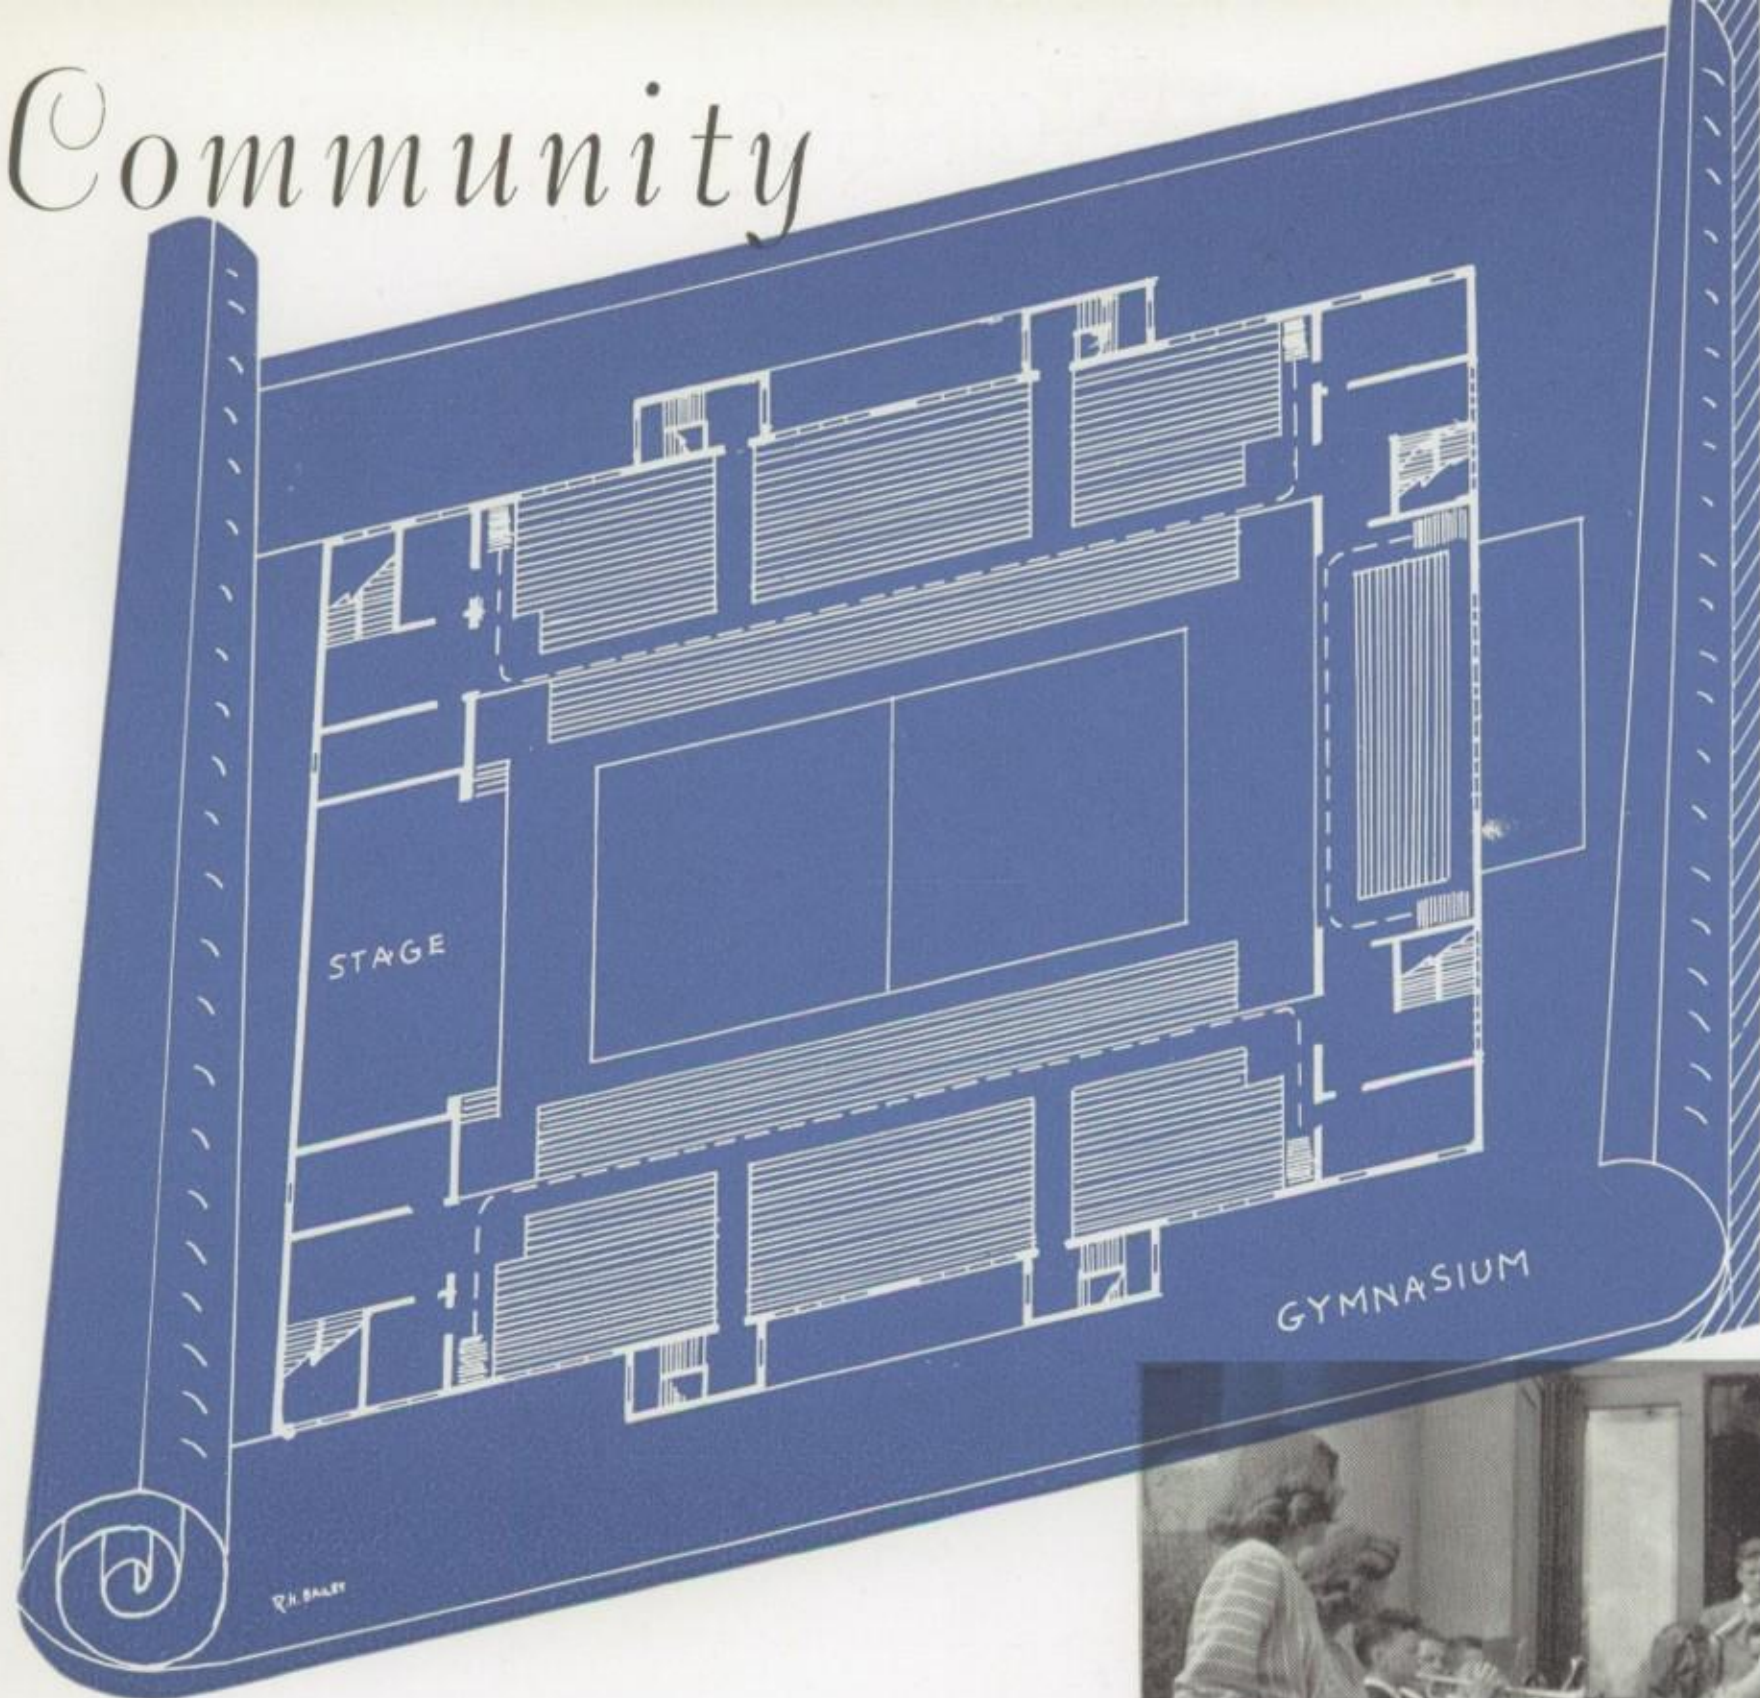

The National Honor Society is an organization that has been an important but silent part of our school for many years. It encourages outstanding work in all fields. The members are chosen by their fellow classmen and the faculty.

Last year three students were chosen as probationary members of the National Honor Society. By retaining their positions as outstanding Seniors these Juniors become full-fledged members. These members are: Marilla Carson, Martha Gassmann, and Barbara Keen.

Then this year eight additional members could be elected to this honorary society. The other members are: Thirza Badger, Marion Clarke, Willard Dean, Joan Madden, Evelyn McDaniel, Katherine Mullinax, Gene Rose, Jo Ann Totten.

The Junior probationary members for next year are: Wanda Lee Farris, Marjorie Herman, Joyce Iaggi, Barbara Garrett, Nadine Jennings, Joann Jones, Donald Pennington, Robert Schmalhausen.
